

## Rudranil Dutta

[rudranil06@gmail.com](mailto:rudranil06@gmail.com) | +971585096107 | [LinkedIn](#)

MBA in Marketing & Communications with 4+ years in risk analysis, skilled at using data, consumer insights, and cross-functional collaboration to inform business decisions. I'm transitioning these strengths into marketing—applying structured thinking to strategy, campaign direction, and brand positioning. A curious, fast learner and diligent worker, I bring a data-first, consumer-centric approach and a strong ability to quickly adapt, execute, and deliver measurable marketing outcomes.

### Professional Experience

---

#### Market Research Intern, Drshti Strategic Research Services Pvt. Ltd., Bengaluru, India

Apr 2025 to Jun 2025

- Drove **campaign insight delivery for 3 major brand clients** (ITC Limited, Cipla, Wipro) by conducting **qualitative research (FGDs, IDIs)** to uncover **consumer motivations and category insights**, directly informing media messaging and communication strategies.
- Built structured research frameworks (RQ, EWS, Discussion Guides) and translated findings into **strategic narratives and top-line reports** to guide **campaign messaging and product decisions**
- Improved analytical turnaround time by **2.5% by integrating AI-led insight mining tools**, accelerating the delivery of performance data to internal stakeholders and client partners.

#### Snr. Rep/FinCrime Analyst, Concentrix Daksh India Pvt Ltd, Bengaluru, India

May 2023 to Sep 2023

- **Led consumer data research** and risk profiling initiatives for a UK-based fintech brand, driving enhanced compliance communications and strengthening brand integrity.

#### Senior Investigations Specialist, Amazon India Pvt LTD, Bengaluru, India

Sep 2018 to Feb 2022

- Promoted to **Interim Team Lead (4 months)** for the Specialised Risk Team and led **SLA/KPI performance as Level 4 Global POC**, cutting **SLA misses by 0.76% in 6 months** through cross-functional optimisation.
- Built automated **performance dashboards (Excel + VBA)** tracking productivity, quality, and efficiency KPIs across functions, directly transferable to brand health tracking, trade spend monitoring, and ROI reporting.
- Developed a centralised customer analytics tool (REM), streamlining workflows and cutting case resolution time by **3.17%**, with strong applicability to **CRM and consumer insights**.
